**Job Title: Business and Marketing Teacher, High School**

District/School: Renton School District/Lindbergh High School

Description: 1.0 FTE. Grades 9-12. Curriculum areas include Microsoft IT, Computer Programming, and soft skill courses.

The Renton School District is focused on building the best Business and Marketing Program in the State of Washington. Our teacher's compensation packages support many opportunities to earn additional pay with extended curriculum work and a back to industry program that provides up to 40 additional hours at a per-diem rate. The District is also a strong supporter of CTSO's and compensates advisors per-diem rather than with a stipend. The Business and Marketing Programs are supported by a full-time facilitator who serves and supports teachers and programs. High schools are on a 5-period trimester schedule and teachers work four periods a day with a planning period every day. Professional development, workshops and conferences are supported and encouraged.
