Damen Schuneman

Director Career & College Readiness

Northshore School District

425-408-7718

dschuneman@nsd.org

www.nsd.org/ccr

POSTING 1

Woodinville High School in the Northshore School District is seeking outstanding candidates for a **High School Instructor (1.0 teaching position) in the STEM (Science, Technology, Engineering, Mathematics) field of Welding Manufacturing, Robotics, and CAD.** This is an excellent opportunity for a self-motivated professional interested in teaching a unique program that focuses on manufacturing and engineering design skills. The position includes teaching courses in Welding, Computer Aided Drafting, and Robotics (with FIRST Robotics mentorship). The program is housed in a brand new, well-funded and maintained welding/manufacturing shop with an additional computer lab featuring 34 new PC stations, 3D modeling printers, and industry standard CAD software. The robotics program uses VEX robotics as the curriculum guide and also participates in the FIRST Robotics Challenge (Team # 4542-Titanium Talons).

POSTING 2

Timbercrest Middle School in the Northshore School District is seeking outstanding candidates for a **Middle School (grade 6-8) 1.0 Instructor in the STEM (Science, Technology, Engineering, Mathematics) field of Technology & Pre-Engineering Education.** This is an excellent opportunity for a self-motivated professional interested in teaching a unique program that focuses on engineering design skills along with using industrial technology systems to create and build challenging and exciting projects while emphasizing problem solving skills, visual communication, and team collaboration. Units of study include First Lego League Robotics, manufacturing, electricity/electronics, renewable energy, power, computer aided drawing (CAD-using Rhino), structures, and architecture.

OSPI have posted a new opportunity:

- [Agricultural Education Science Program Supervisor](#)
- [Science Technology Engineering and Math Program Supervisor](#)

Please go to [Job Announcements](#) for complete details.
