<b>Job Title:</b> Teacher HS - CTE Horticulture REPLACEMENT, Job Id# 1989
<b>District / School:</b> Tacoma Public Schools
<p><b>Brief Description:</b></p> <p>The applicant must possess or be eligible to attain Washington State CTE Teacher Certification with endorsements in Agriculture and Natural Resources. The position requires a high degree of commitment in operating a commercial greenhouse around project-based learning and student leadership. The position requires the teacher to manage all aspects of crop production in the greenhouse laboratory setting. Delivery of the district approved curriculum aligned to the state end of course assessment is a requirement of the position to ensure students are prepared to meet science graduation requirements through equivalency credited course work. In addition to teaching Plant Biology and Environmental Sciences classes, this position also includes the teaching of Pre-veterinary science class with inclusion of bio-technology content. The successful applicant will have commitment and affiliation to student leadership development through the FFA organization or locally developed leadership club. The teacher is expected to engage business and community partners through the CTE advisory committee program to assure delivery of rigorous and relevant learning experiences aligned to industry standard.</p> <p><u>This is a position for the extended day, extended year model at Lincoln High School. Teachers in this model work until 3:05 pm each evening (M-Th) and work a regular day on Fridays. As well, there is a two week teaching window in the summer.</u></p>
