Other Information: Open until filled

Job Title: Teacher MS - CTE – Technology Education, Job Id# 2000
District / School: Tacoma Public Schools
Brief Description: The applicant must possess or be eligible to attain Washington State CTE Teacher Certification with endorsements to technology through Science-Technology-Engineering-Mathematics, with a range of possible classes to be taught depending on teacher experience and master schedule needs. Classes may include Multi-media, Digital Communications, Broadcasting, Visual Communications, and Robotics. The position requires a high degree of collaboration with district and building personnel for coordination and supervision of students in extended learning opportunities. The position requires engagement of business and community partners through CTE advisory committees to ensure delivery of rigorous learning activities aligned to standards of industry. The teacher is expected to teach 21st Century skills as an integral component of the district approved curriculum.
