

**UPDATE**

May 5, 2017

We appreciate your efforts to inspire, educate, and connect students to their career paths. Celebrate with us and watch ACTE's [video](#) on why we appreciate teachers like you. Thank you for all that you do!

**PUBLIC COMMENT PERIOD OPEN FOR TWO NEW CTE COURSE EQUIVALENCIES**

The State Board of Education has opened the public comment period for two new Career and Technical Education (CTE) course equivalencies for agricultural power and technology, and viticulture. The State Board of Education will vote on these two CTE course equivalencies at a May 10-11 meeting in Walla Walla. For more info: <http://www.sbe.wa.gov/>

## **TIME TO REGISTER FOR GOVERNOR'S MAY 31 SUMMIT ON CAREER CONNECTED LEARNING**

The Workforce Board is co-hosting the Governor's Summit on Career Connected Learning on May 31. The Governor will speak at the Microsoft campus, along with industry, policy, and education leaders who will discuss how to create more career-related opportunities to prepare Washington youth for high-demand jobs. The Summit is the culmination of an 18-month Policy Academy on Work-Based Learning led by the Workforce Board and the Governor's Office. The main site at Microsoft is filled, but more than two dozen regional sites are hosting locally driven meetings and connecting to the central site through a live feed. Make sure you're part of these critical conversations, while hearing from top experts, at one of 27 regional locations. More info and registration: <http://www.wtb.wa.gov/WorkBasedLearningPolicyAcademy.asp>

Join us for the 4th annual **Photography Instructor Roundtable!**

This is a good opportunity to chat with other high school photography instructors, see what they're doing, exchange ideas and get your questions answered. We'll also have information to share about many of the college and university photography programs.

**WHEN:** Saturday, May 13 from 9:30 - 1:15.

**WHERE:** Kenmore Camera - 6708 NE 181st Street in Kenmore.

**COST:** Only \$25 - that includes 3.5 clock hours and a light breakfast. Fill out the [registration form](#) today!

## **Summer Educator Institute**

**June 26-28, 2017**

Join other high school and adult educators for 3 days of professional development on the Bellingham Technical College campus. Workshops are designed for both academic and CTE instructors wanting to enhance their instructional practice with applied learning opportunities. There are three options to choose from -- all are designed to help teachers expand their skills related to teaching "industry standards" and workplace expectations. All workshops are taught by highly qualified college instructors with extensive business and industry experience. Due to the small class size (maximum of 12 per workshop), early registration is strongly advised! Registration deadline is to be determined. A purchase order or paid registration will confirm a seat in your selected workshop. You can download all workshop information below. If you have further questions about BTC's **Annual Summer Institute**, please contact Therese Williams at: 360-752-8316 or email [twilliams@btc.edu](mailto:twilliams@btc.edu) or Billie Baker at [bbaker@btc.edu](mailto:bbaker@btc.edu)
