## IN THE NEWS

### [Wash. high-school students produce alternative energy](#)

A Washington high school offers a green technology class that focuses on sources of renewable energy, including solar panels and biodiesel. Students apply techniques they learn from research projects to produce energy using alternative methods, such as by creating a wind farm using wind turbines. [The Olympian \(Olympia, Wash.\)](#) (6/5)

### [Wash. computer-science education proposal is signed into law](#)

More Washington high-school students will have access to computer-science classes under a new measure signed into law this week by Gov. Jay Inslee. Supporters say the state's technology industry will benefit from the law's directives, which require the state to develop computer-science curricula and teaching standards. [The News Tribune \(Tacoma, Wash.\)](#) (6/10)

(MARTIN BUREAU/Getty Images)

### [Educational program helps prepare students for nuclear industry](#)

The Nuclear Uniform Curriculum Program is a national initiative to help community colleges provide consistent standards for nuclear education to students hoping to work in the nuclear energy industry. "This program was established back in 2008 to ensure that the community colleges in the United States that had nuclear technology programs were teaching a uniform curriculum to ensure that their graduates had the ability to go to any utility in North America," said Nuclear Energy Institute Senior Manager of Strategic Workforce Initiatives Elizabeth McAndrew-Benavides. [KONA-AM \(Pasco, Wash.\)](#) (6/12)

POSITION #155-ADM-05/15: Skills Center Director

Wenatchee Valley Technical Skills Center

8 hours per day/214 days per year

Salary Range: \$96,057 - \$110,322

Assistant Director of Career & College Pathways – this position is the day-to-day manager of all things CTE in Highline, including oversight of teacher support, course pathway innovation and management, and business/community/postsecondary partnerships. This person will be required to think about and push our schools in the direction of integrated CTE-academic pathways so that all students experience the hands-on, practice-based learning that CTE offers. This is a great position for an experienced TOSA or Specialist working to move into a Director role, or a part-time Director to take the reins full-time.

We're hoping you might know someone who would be an excellent fit as the new Workforce Education Navigator at Tacoma Community College (TCC). This position will promote the success of Workforce-funded students while utilizing best practices to meet programmatic needs and ensure student success in alignment with guidance from state and community agencies. The salary range is \$40,000 to \$50,000 per year, DOE/DOQ. *If you know anyone who might be interested in this position, we'd love to hear from them.* TCC is a comprehensive community college located in the beautiful Pacific Northwest, just 35 miles south of Seattle. We are a diverse, creative, and engaging institution - recognized nationally as an Achieving the Dream "Leader College." The Tacoma-Pierce County area, located on beautiful Puget Sound and framed by the Cascade and Olympic mountain ranges, offer residents and visitors a wealth of cultural and recreational opportunities.
