This past week was more of the same in Olympia - many policy bills that have been filed will fall to the way side with the first cutoff date on February 20, which is the last day to read in committee reports in house of origin, except House fiscal committees and Senate Ways & Means and Transportation committees. (FYI - Senate released a Transportation budget last Thursday.)

Our work has been focused on our goal to have an office visit with all the members of the Senate Ways & Means, House Appropriations, and key party leaders in both chambers for a total of 61. I have seen 33, have 10 appointments still, and multiple requests for meetings with the remaining 18.

The visits are to share the importance of having the "Allowable Expenditure Method" in the final budget, what will be lost if not done, and what will the language in the budget need to be.

NEW HANDOUT FOR OFFICE VISITS AND TO SHARE WITH YOUR LEGISLATORS...

To that end we have an updated and have now posted a new hand out with new information from OSPI, which fully develops the costs of the "[Allowable Expenditure Method](#)." Greater clarity and detail increases the impact to the budget. ([link can be found here](#))

HIGHLIGHTS OF THE CTE12S GETTING THE WORD OUT...

Please share your contact stories with me as they happen and I will post them here! Let's support each other with our successes and encourage others to join us!

Do you know a group?

This week I have been able to line up education groups in Olympia who are willing to lend their name and influence in support of enhanced CTE funding by signing on to a "CTE Coalition Letter" supporting enhanced CTE funding that will be gathering signatories next week.

If you have a group that you know and think we share a common mission to produce career ready graduates for our state, ask them to join the CTE Coalition and add their name to the letter. All they need to do is contact me by email to let me know and if they have questions they can call me directly on my cell at 360-202-5297.

As an individual...

It can still be a very simple message, or cheer if you like, to share with your legislators and to have your students, parents, community members, and industry partners share.

Most legislative members have Facebook and Twitter accounts for connecting with citizens of the state. So call, email, Facebook, Tweet, Instagram, and/or visit their office to deliver this message for CTE:

For phone, short email message, and Facebook posts:

"We ask that you support the enhanced CTE funding asked for by OSPI and being promoted by the Washington Association for Career and Technical Education to correct CTE & Skill Center MSOC funding by asking your caucus budget writers to reinstate the MSOC multiplier along with other recommendations. Further information and suggested budget language is available from Tim Knue, Executive Director of the Washington Association for Career and Technical Education."

For Twitter & Instagram...use @WashCTE and #CTE12s:

"Return CTE enhanced funding to the Washington State budget for student career success! @WashCTE...and your legislators Twitter handle."

(Be sure to NOT use school district time or equipment to make those contacts to avoid PDC liability.)

PAST WEEK HIGHLIGHTS OF THE CTE12S...

The CTE12s have been stepping up and working it this week. WELL DONE BY ALL! Please share your contact stories with me as they happen.
