WOVE...Representing the Career and Technical Education field through advocacy activities, which promotes the value of CTE and the policies that are needed to support CTE practitioners, advance the field, and improve student learning. This week's update:

Today is the 57th day of the 105-day Legislative Session and we have completed half of the regularly scheduled session! This week legislators were active on the floor, writing and submitting proposed amendments to bills for floor debate, understanding bills and amendments with their partisan colleagues in caucus, and meeting with advocates outside the Chamber doors. This will continue as the next cutoff date, the "House of Origin," is this coming Wednesday, March 13, at 5 p.m. During this "floor-focused" time, legislators, lobbyists, and stakeholders work hard to move their critical bills and work to stop bills that adversely affect their interests.

We have not been exempted from the above activities. On Friday we had a floor amendment attempted on [SB 5327](#) (Career Connected Learning) in an attempt to get our CTE Resources bill language included in its final passage. The floor amendment failed on a pure party line vote in the Senate, primarily due to "short notice" to the members.

Key bills that connect to the three focus areas of our Washington ACTE Legislative Strategic Plan:

- **FOCUS: CTE RESOURCES (Funding):**
 - *We continue to work on in the House and Senate to try and make something happen if we can; having failed on our first attempt to find a vehicle to amend with our CTE Resources language we continue to work on that method as well as lay the ground work to possibly include something in the final budget bill.*
- **FOCUS: THE VALUE OF CTE:**
 - [E2SHB 1599](#) - Passed the House and now moves to the Senate.
 - [SSB 5548](#) - Placed on second reading by Rules Committee. Must pass the House by Wednesday, March 13.
- **FOCUS: SUPPORT CTE STUDENT LEADERSHIP:**
 - [2SHB 1660](#) - Placed on second reading by Rules Committee. Must pass the House by Wednesday, March 13.

Taking Action:

Hopefully you are engaged in actions to support our CTE advocacy efforts, so here are some actions you may consider taking.

Always remember to advocate on your own time and only using your personal email. Never use work resources to be assured that you do not violate PDC laws as a public employee.

- Review the week ahead committee meeting schedule, focusing on bills still alive in the process that have been scheduled for public hearing, and then contact your legislators asking them to support our two CTE bills - especially if they serve on one of the committees where the bill has been assigned.
- Reach out with your perspective on the bill and share your story, consider coming to Olympia to meet with your member, and testify on a bill important to you.

- Share CTE program data from your school/district, stories, and suggestions to improve the proposed policy from your perspective is important to legislators. *You are the expert for your program and the needs of your students so don't be anxious to share your story.*
- Follow-up with legislators/committees on a specific bill or issue.
- Provide input on bills not yet scheduled for hearings that are an issue or area of interest or concern to you.
