| 5. The quality of the oral presentations. | 4.42 |
| 6. The quality of the written program materials. | 4.42 |

Comments or suggestions for improving the pre-conference:

- Great job.
- Inspiring!
- Thanks for your insights.
- Great presentation but only the last 30 minutes focused on financial literacy.
- I signed up for and paid for financial literacy for teens. I did not get it for more than 30 minutes.
- Though the presentation was interesting it had nothing to do with financial literacy or projects for the classroom of which is what I signed up and paid for. Very disappointed. This was a \$100 class. I'd like a refund.
- We received three of Chad's books! Thought it was financial literacy.
- Awesome session.
- The first 2 1/2 hours were not spent on financial literacy, which is what my district paid for. Great speaker, very engaging--not what I wanted though.
- Thank you!
- Awesome! Very engaging and relevant.
- Great presentation.
- Needed to talk more about financial literacy. More activities relating to networking versus financial literacy. It would have been nice to have more activities for financial literacy.
- Freezing cold in room, but great speaker.
