1. General Thoughts:

- We are off to a great start on the school year. It is exciting to see students in classes and the high level of engagement in CTE programs across the state. 2. Strategic Plan Activities:

- Working with FAME committee on increasing membership

3. Matters of Interest:

- How can we build upon our efforts to have a common voice for CTE across the state and work with all of our subsections to support our students, teachers, and administrators.

4. Executive Committee Activities:

- I have been learning the ropes and continue to support the work of Jodi, Kevin, Tim, Francience, and Tess.
